

## **Shipping Policy**

American Ring & Tool Company is committed to providing reliable and efficient shipment of products to our customers. This Shipping Policy outlines general guidelines regarding order fulfillment and delivery.

## **Order Processing**

Orders are processed following receipt of all necessary order information and any required approvals. Processing times may vary based on product availability, order requirements, customer specifications, and other business considerations.

## **Shipping Methods**

American Ring reserves the right to utilize the shipping method, carrier, or service level deemed most appropriate for the shipment unless specific arrangements have been agreed upon with the customer.

Available shipping options may include customer-designated carriers, collect shipments, third-party billing arrangements, prepaid freight, parcel carriers, freight carriers, postal services, or other transportation providers.

## **Freight Charges**

Freight charges are determined based on the shipping terms associated with the order. Shipping costs may be:

- Prepaid and added to the customer invoice
- Billed directly to the customer through a carrier account
- Charged to an approved third-party account
- Included or otherwise handled according to agreed commercial terms

Customers are responsible for providing accurate freight account information when applicable.

## **Shipping Addresses**

Customers are responsible for providing complete and accurate shipping information. American Ring is not responsible for delays, additional charges, or delivery issues resulting from incomplete or inaccurate shipping instructions.

## **International Shipments**

International shipments may be subject to customs requirements, duties, taxes, brokerage fees, import restrictions, and other charges imposed by governmental authorities. Unless otherwise agreed in writing, such charges are the responsibility of the customer.

## **Delivery Estimates**

Any delivery dates provided by American Ring are estimates only and are not guaranteed. Delivery performance is subject to factors outside of American Ring's control, including carrier operations, customs processing, weather conditions, labor disruptions, and other unforeseen circumstances.

## **Risk of Loss**

Unless otherwise contractually agreed upon, all orders are shipped F.O.B. origin. Title to and risk of loss for all products pass from American Ring to the customer upon tender of the items to the first common carrier. From and after carrier tender, the products travel at the customer's risk. Customers are responsible for filing any lost or damaged package claims directly with the carrier. American Ring is not responsible for packages lost in transit after they are transferred to the carrier.

## **Shipping Policy Changes**

American Ring reserves the right to modify this Shipping Policy at any time without prior notice. The most current version will be maintained on our website.

## **Contact Information**

For questions regarding shipping arrangements, order status, or delivery inquiries, please contact American Ring & Tool Company through the contact information provided on our website.
